Fundraising for OP Jay Ng Jie Lun 18-19 D-Coy STALLIONS

Please indicate: Contribution to IKOP for OP Jay Ng

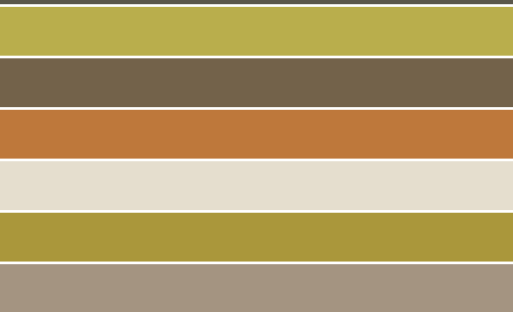

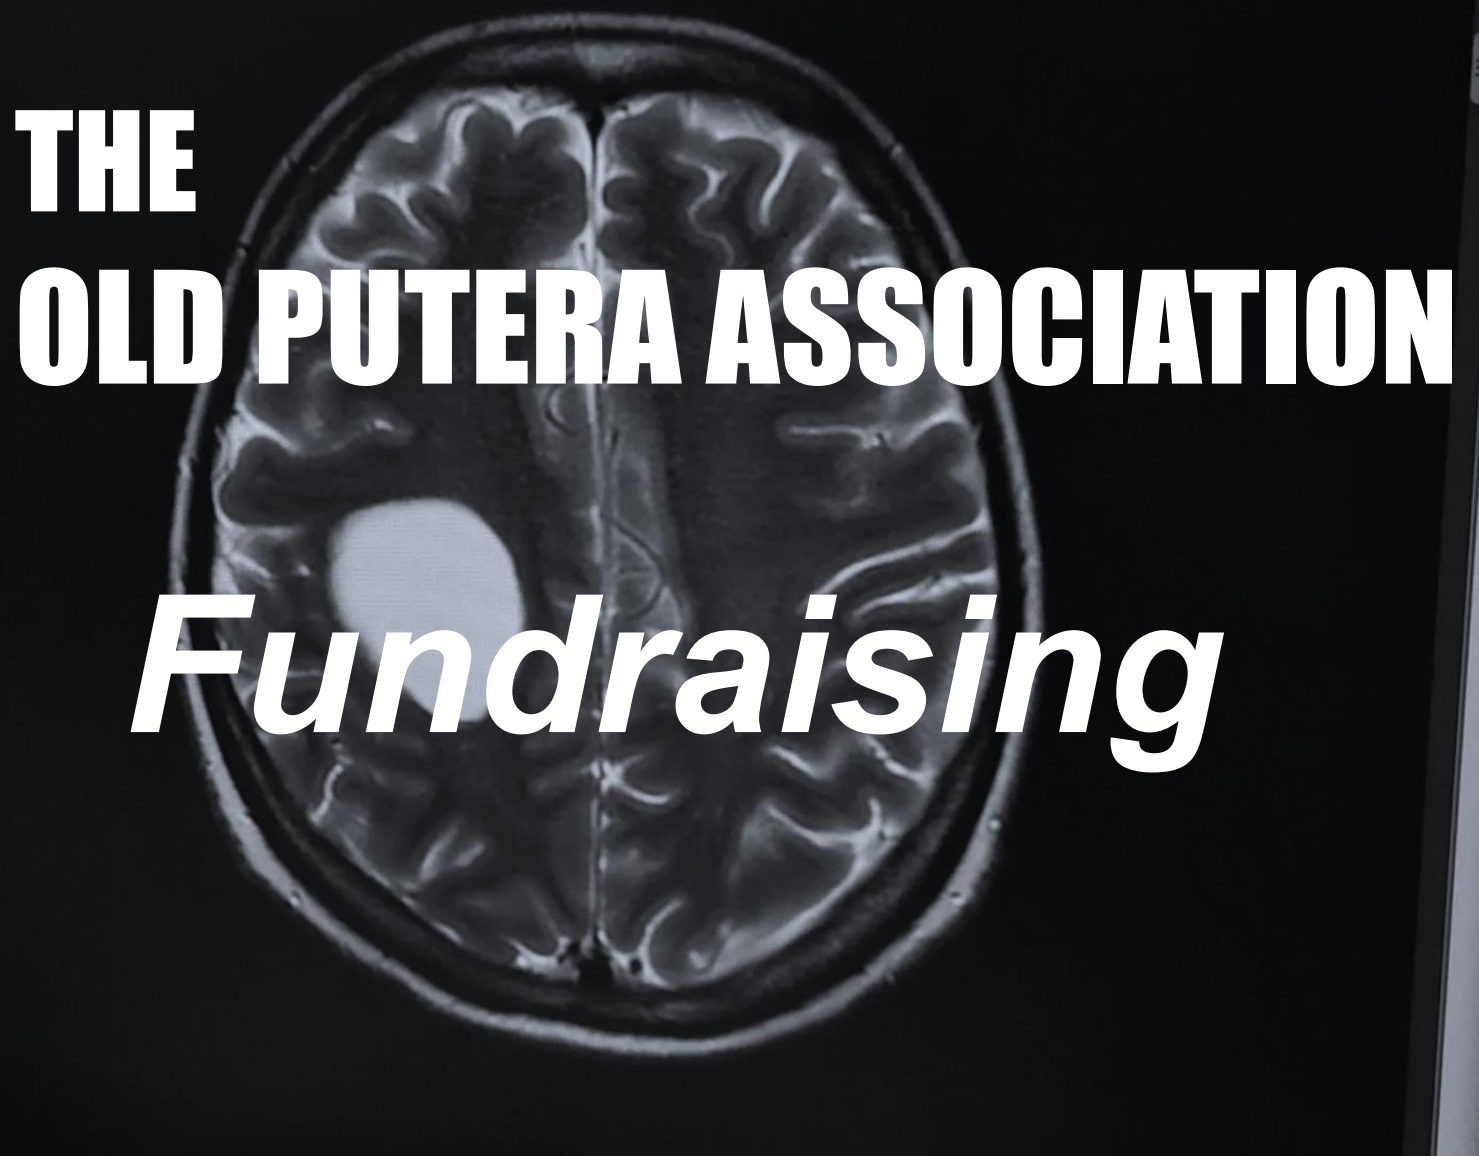

OP Jay Ng
Mother had a tumor at the right side of her brain. She also had a stage 3 breast cancer on her right breast earlier and managed to complete her chemotherapy.

I am requesting for a funding for my mother's brain surgery and rehab. The cost of the surgery is approximated to be around RM30k which excludes, hospital room, rehab and check ups.
